

Let's give (wo)men a chance

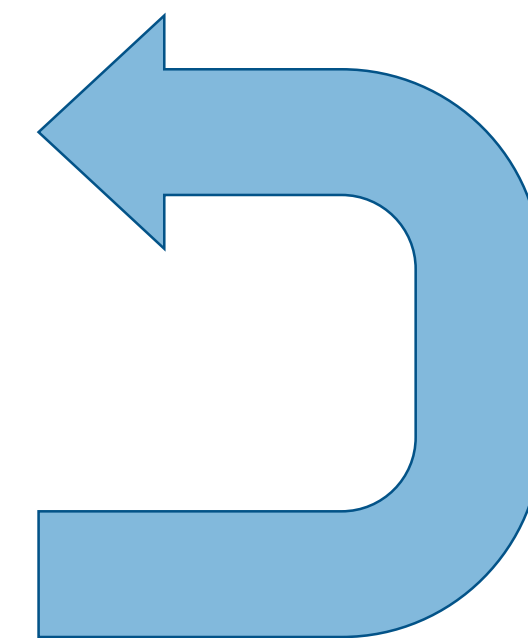

Synchronizing needs and resources

Barbora Burajová
ILFR,CMC

Understand and acknowledge the importance & scope

- ISSUE (incidence and nature, social and individual consequences, needs of survivors, best ways of protection and support, prevention)
 - ✓ Research, Monitoring, Evaluation
 - ✓ Sharing & Dissemination of Knowledge
- COMMITMENT
 - ✓ Political: GVN – multi-sectoral approach & collaboration
 - ✓ Sectoral: Ministries – financial & organizational resources
 - ✓ Organizational: personal capacities for specialization
 - ✓ Individual: to speak against violence & to speak for survivors

Coherent & unified chain of prevention, protection and support

- PREVENTION
 - ✓ School and university education
 - ✓ Media
 - ✓ Campaigns
- PROTECTION
 - ✓ Efficient & Effective: understand the substance of violence and needs of survivors
- SUPPORT
 - ✓ Available, accessible and proportionate

Predictable action & cooperation

KNOWLEDGE about the possibilities and responsibilities of all professions involved

RECOGNITION of
competences and experience

RESPECT
for responsibilities & skills

Does not weaken own competencies, but it helps for efficiency and effectiveness

Allows for predictable action & predictable cooperation

Let's give (wo)men a chance

Thank you for your attention
